Acts 14

Do You Have the Wrong God?

I. What is your view of God?

II. What do you worship?

III. What will keep you from following the right God?

- a. Going with your heart (Jeremiah 17:9)
- b. Going with the crowd (Romans 12:2)

Discussion Questions:

1. How were you raised to view God; a cosmic bully, a good friend, an indifferent creator? How is your view of God different now?

2. What do you tend to worship instead of God?

3. How can we make sure to follow God fully this week and not make a god in our image?
